**What is this mind inside of  
me?  
Why do I not conform?**

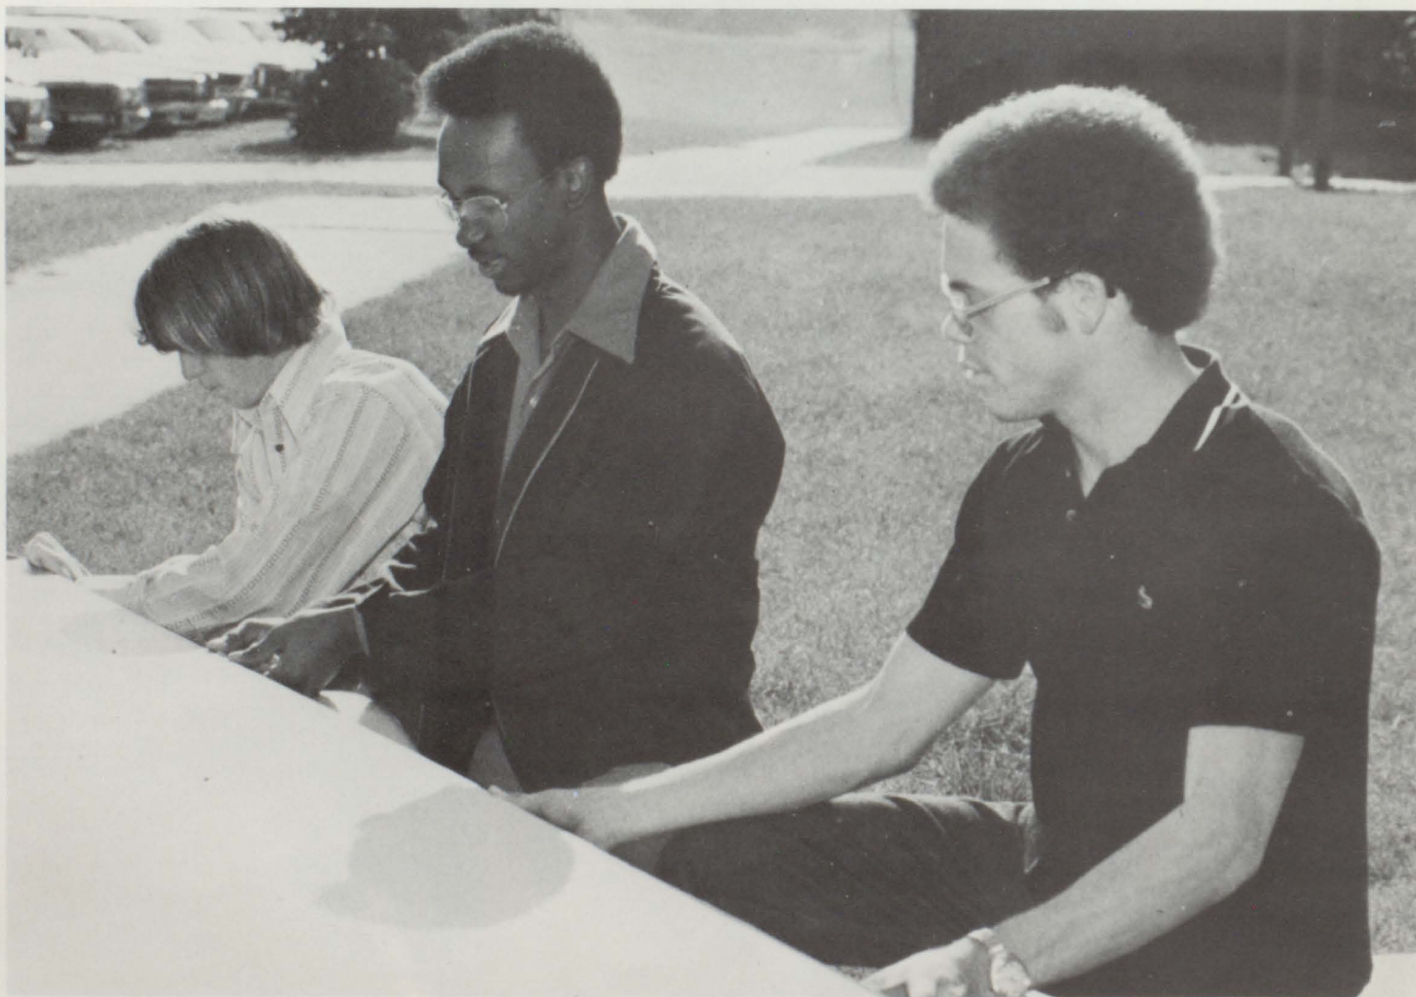

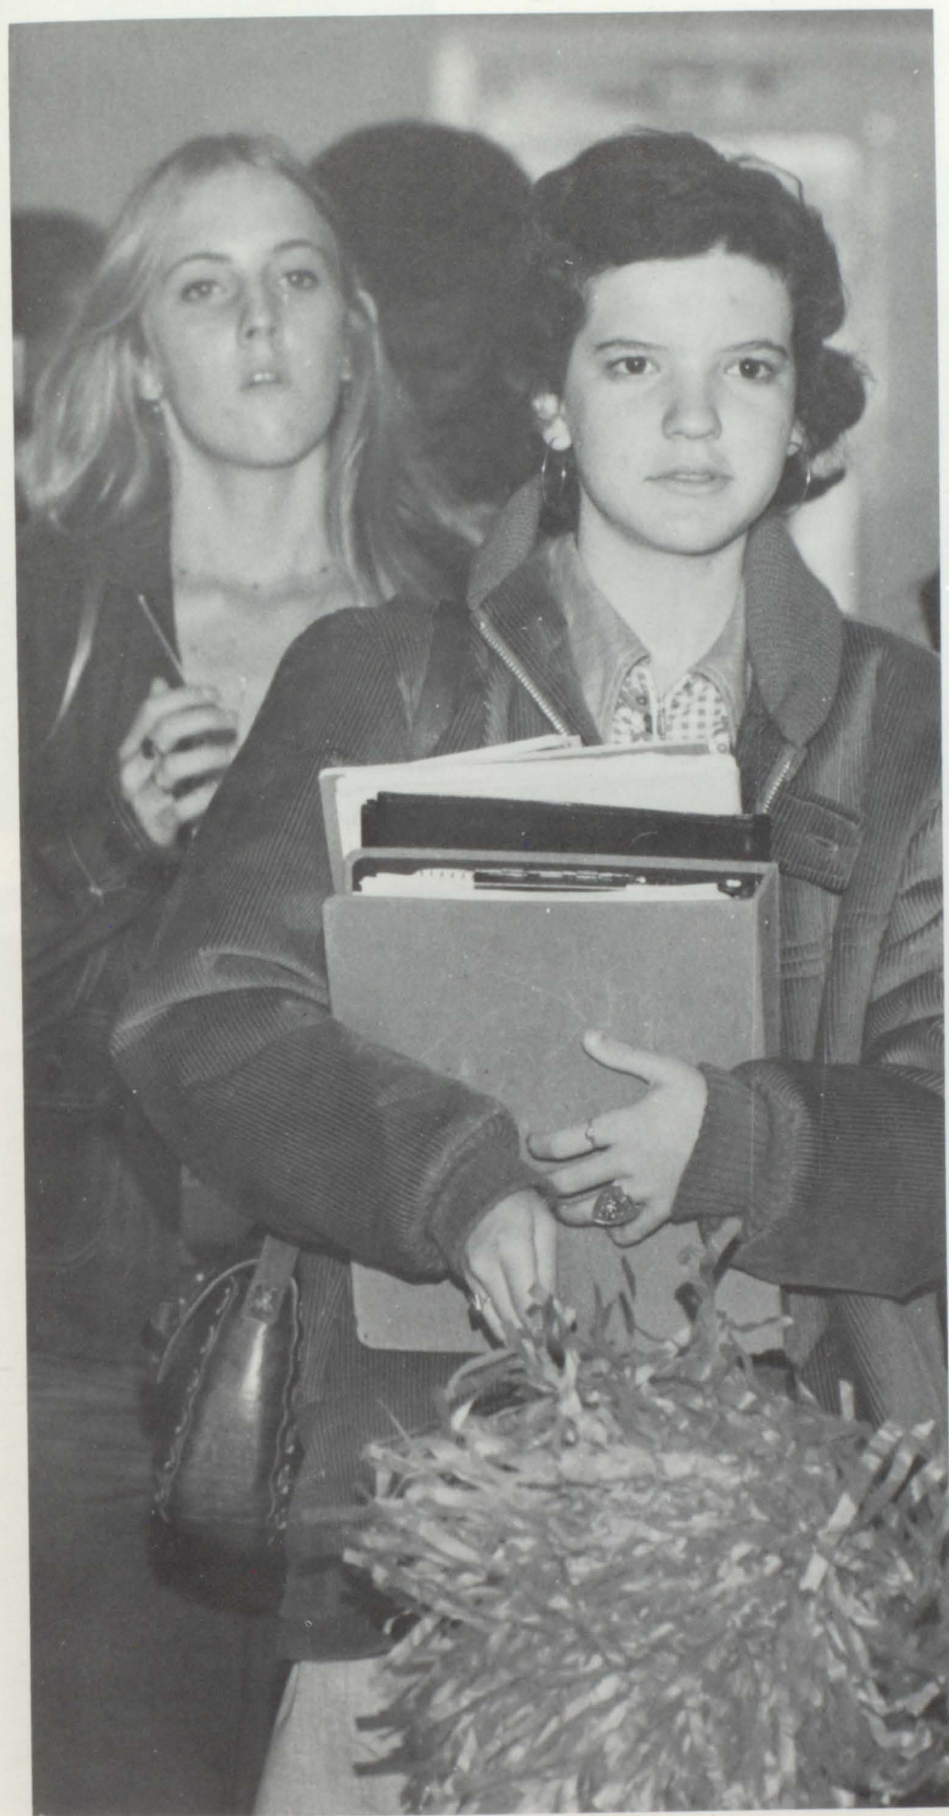

Can't you hear the  
answer?  
Can't you see that you  
don't  
know me anymore than I  
know you,  
although you call me  
friend?

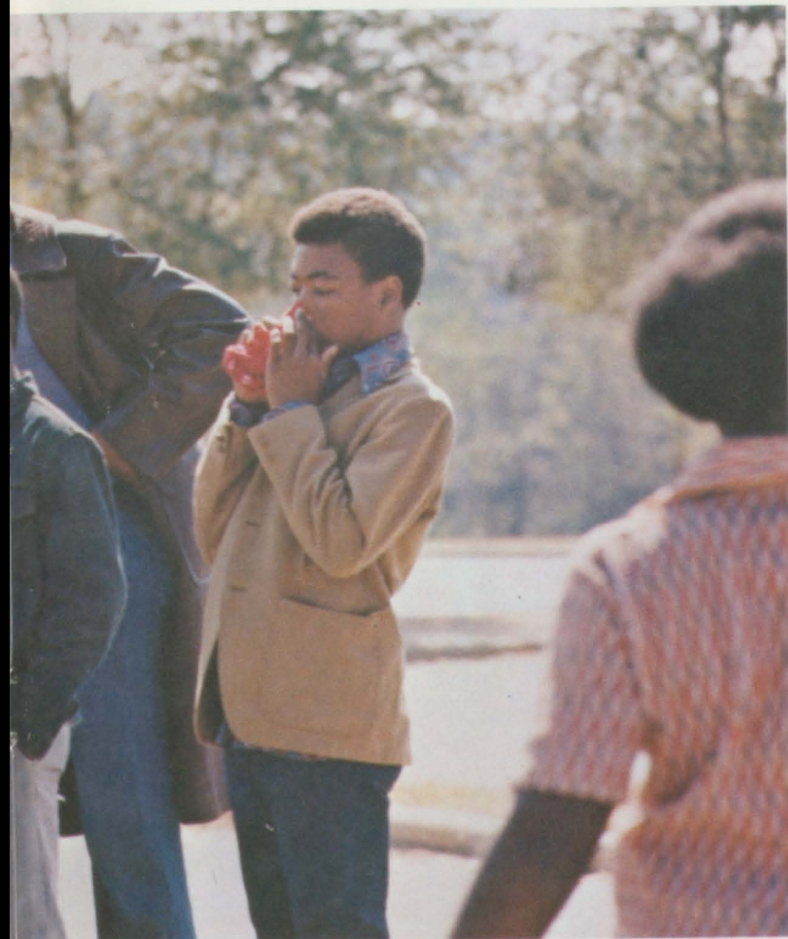

**You live in fear that you're  
not like the others,  
I live in fear that I am.**

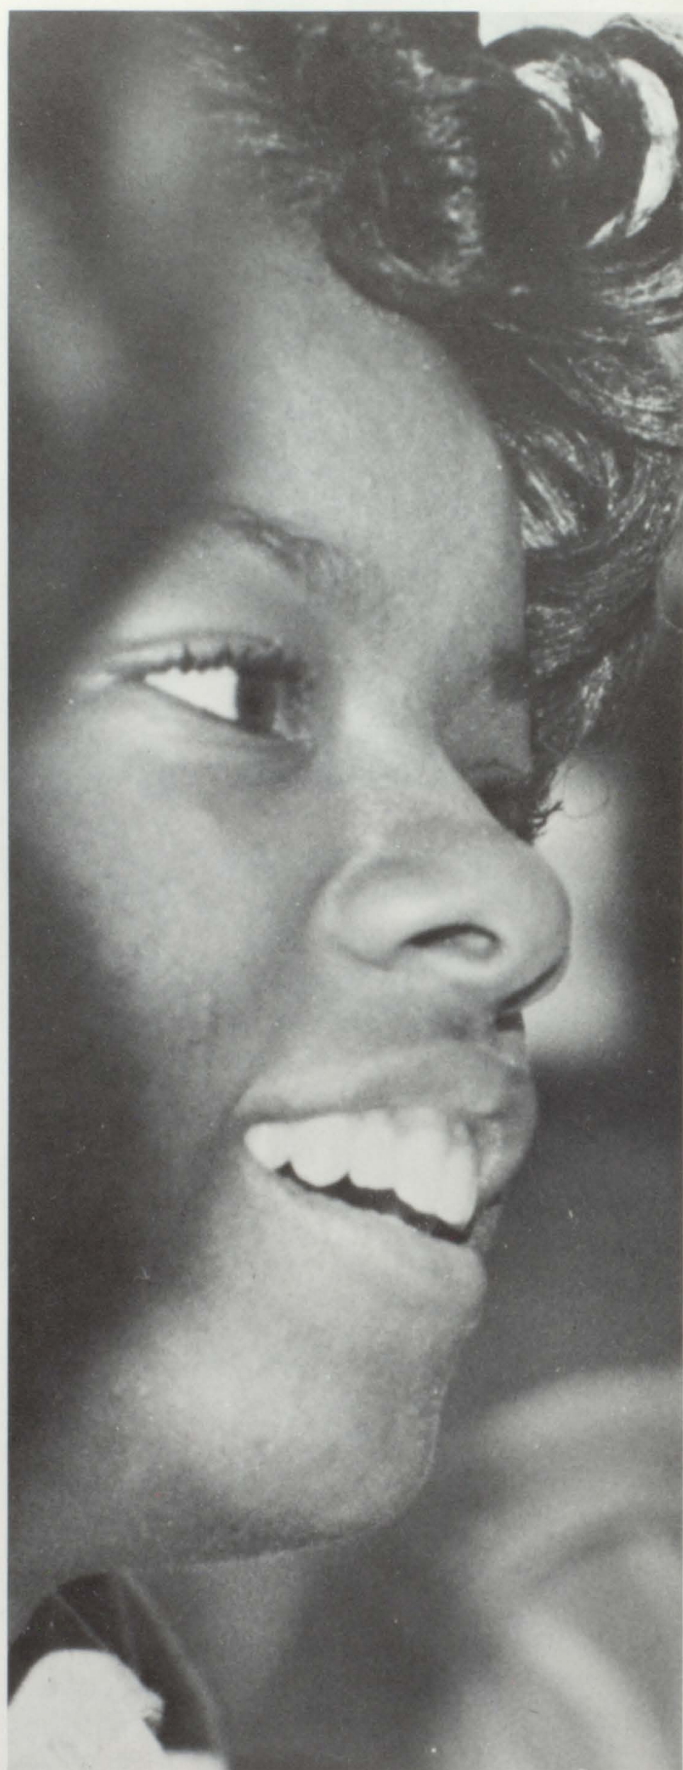

The answer is very simple  
and  
two different lives

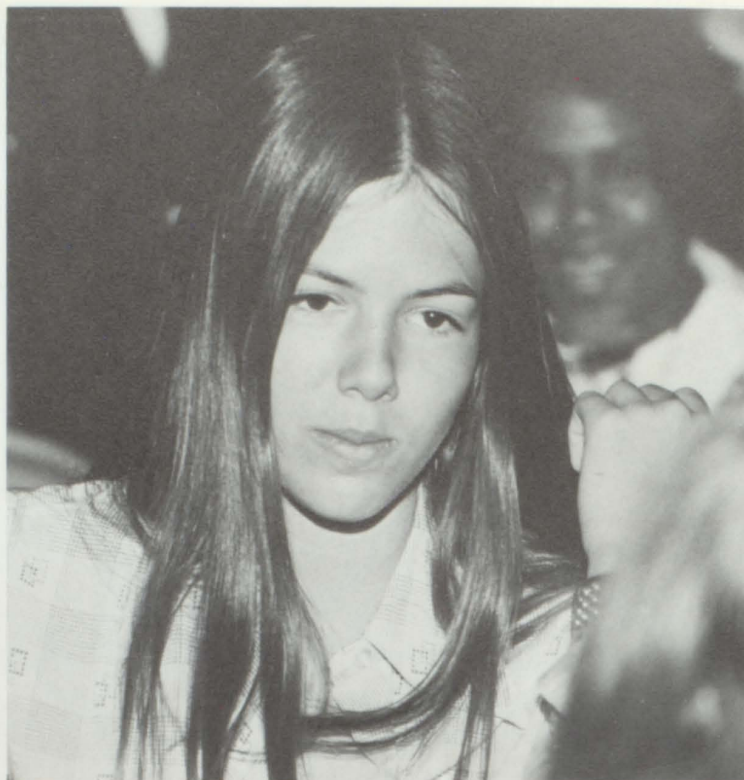

The answer is very simple  
my friend  
We live two different lives.

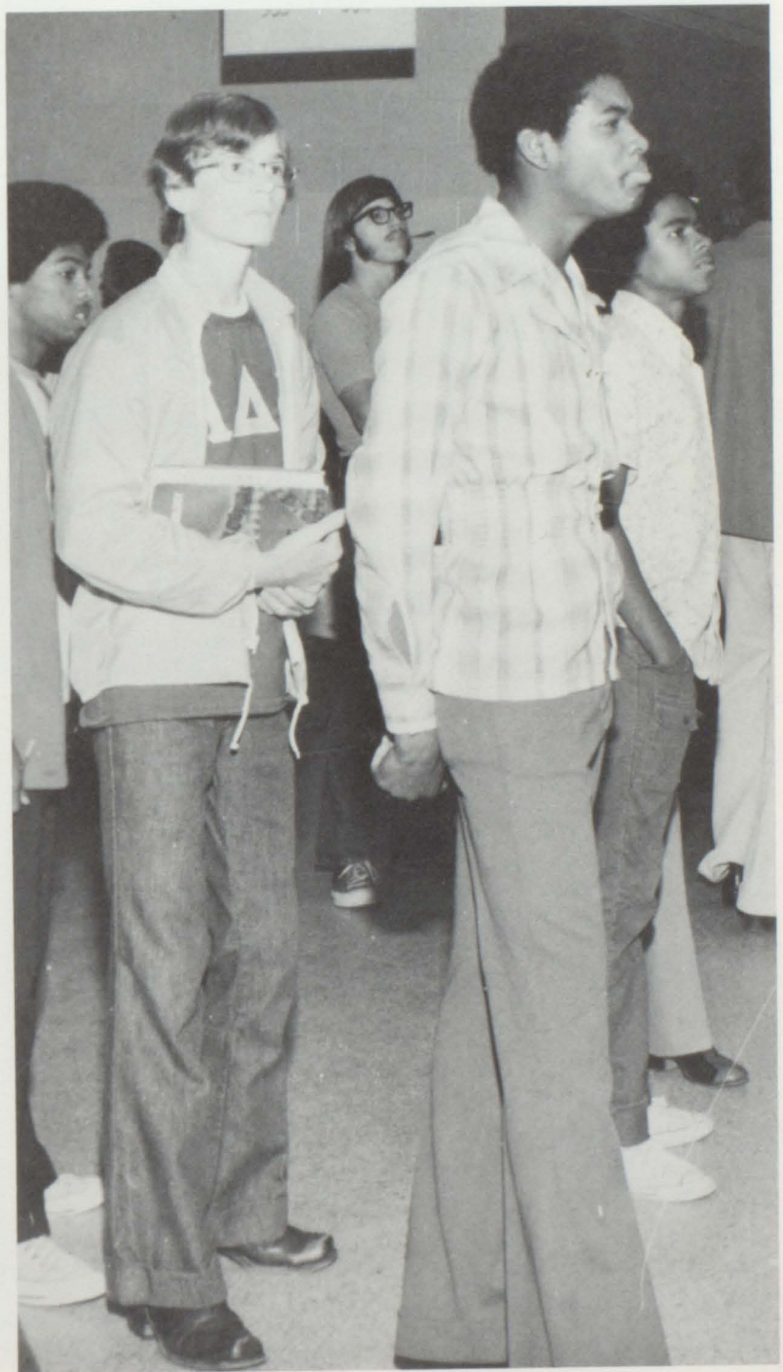

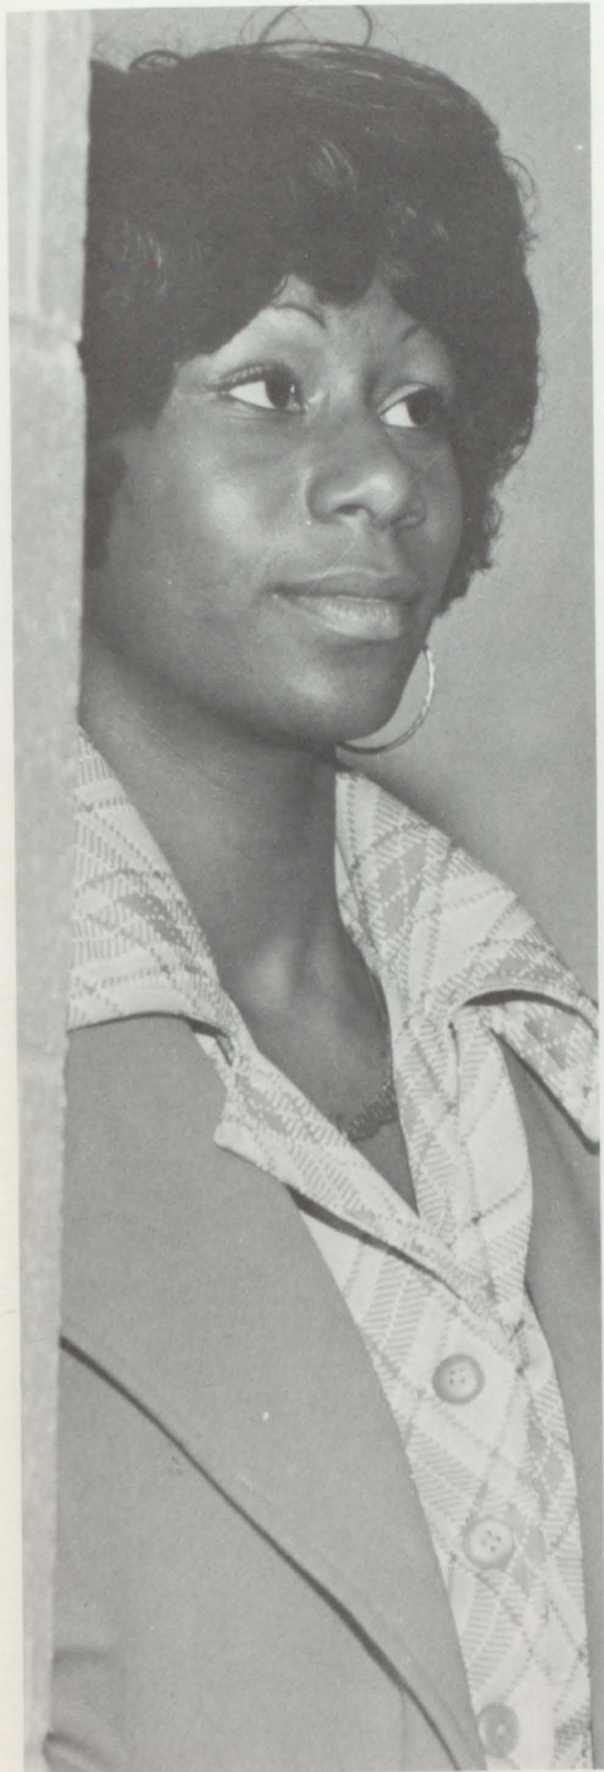

The answer is very simple  
and  
two different lives.

**Just stand aside  
and  
watch "yourself" go by.**

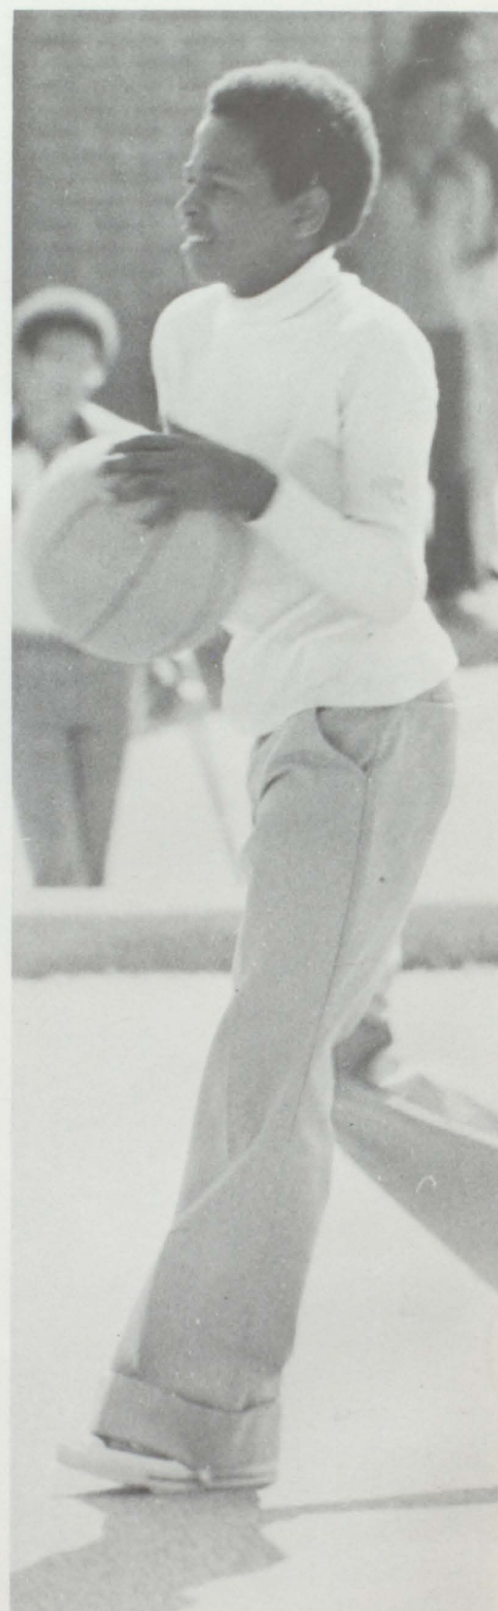

**You're a masterpiece!  
A unique creation of art . . .  
You're an actor and the world  
is your stage.**

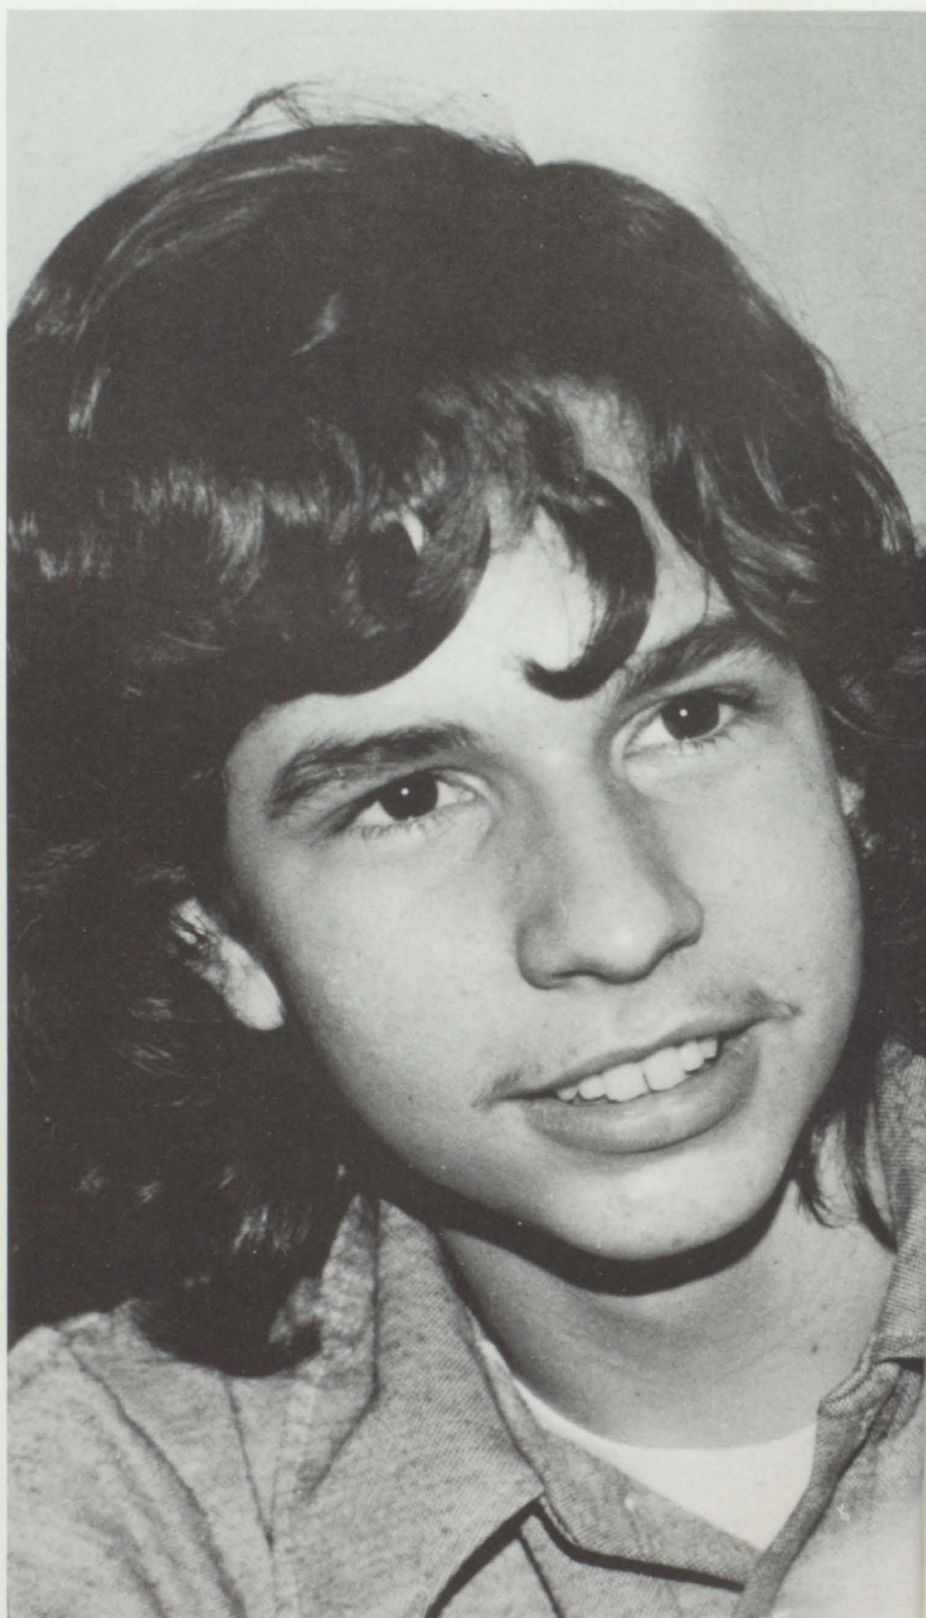

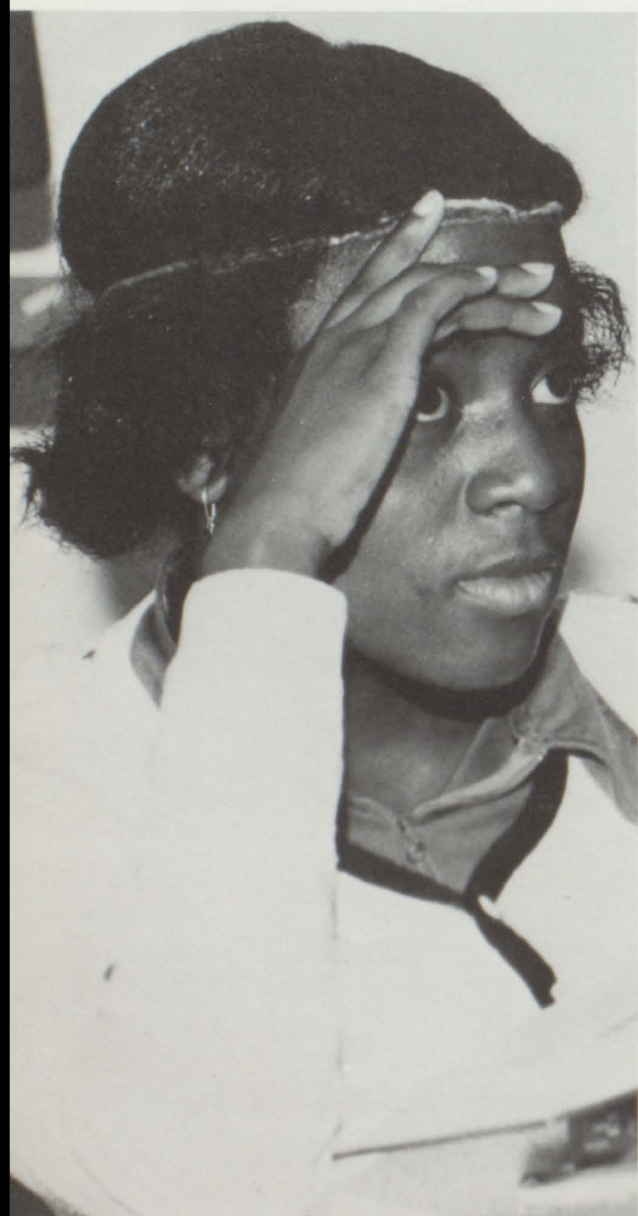

**You're a performer for  
life, portraying a very elite  
person better than anyone  
has . . . and ever will.**

**You are above everything else,  
"yourself."**

The world is filled with many people from all walks of life. See, talk, and feel the people. But above all be yourself in any direction.

## PROMOTIONS

The sun arose in the east  
Just before the morning star shone.  
The birds are waking in their nests  
And I must seek my own.  
The sun like a light,  
The heaven's so bright,  
With silent delight  
Sits and smiles on the students plight.

No sooner met but they looked; no sooner looked but they loved; no sooner loved but they sighed; no sooner sighed but they asked one another the reason; no sooner knew the reason but they sought the remedy. So if thou must love me, let it be for naught except for love's sake only!

Seniors Are What's Happening

Washed away by time . . .

The events of this school year

Setting their sails over a strange and unpredictable sea,

While I stop to reflect . . .

Counting the times that I have forgotten to say,

THANK YOU

For helping me produce such wonderful memories.

A dramatic black and white photograph of a cloudy sky. The clouds are dark and heavy, with a bright light source breaking through in the center, creating a strong contrast. Two birds are visible in flight: one on the right side, flying towards the left, and another on the left side, flying towards the right. The overall mood is somber and reflective.

In Memory of . . .

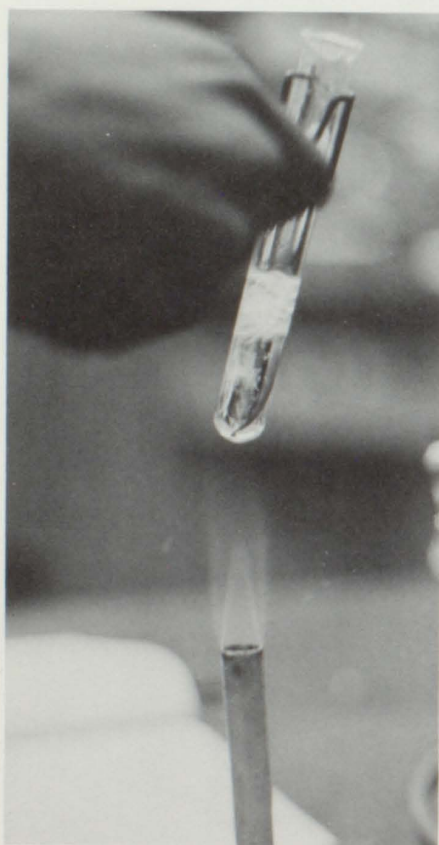

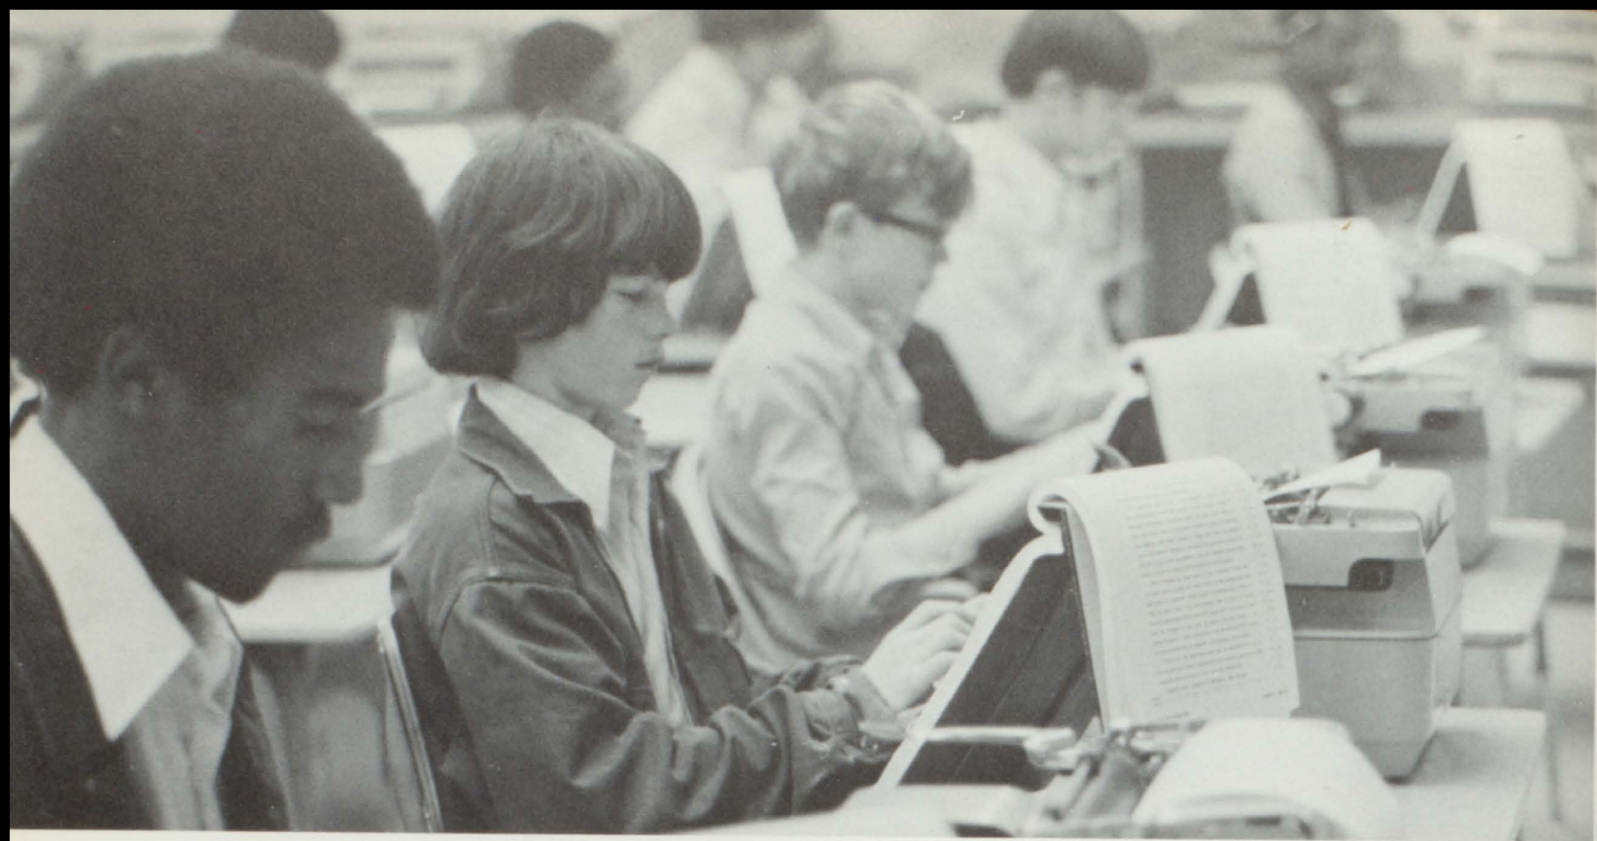

Coach James Lee Simonton, Sr.

Vernon Stone  
Arthur David DeHart

I have no way of knowing  
whether I'm right or  
wrong. But how can I ever  
find out?

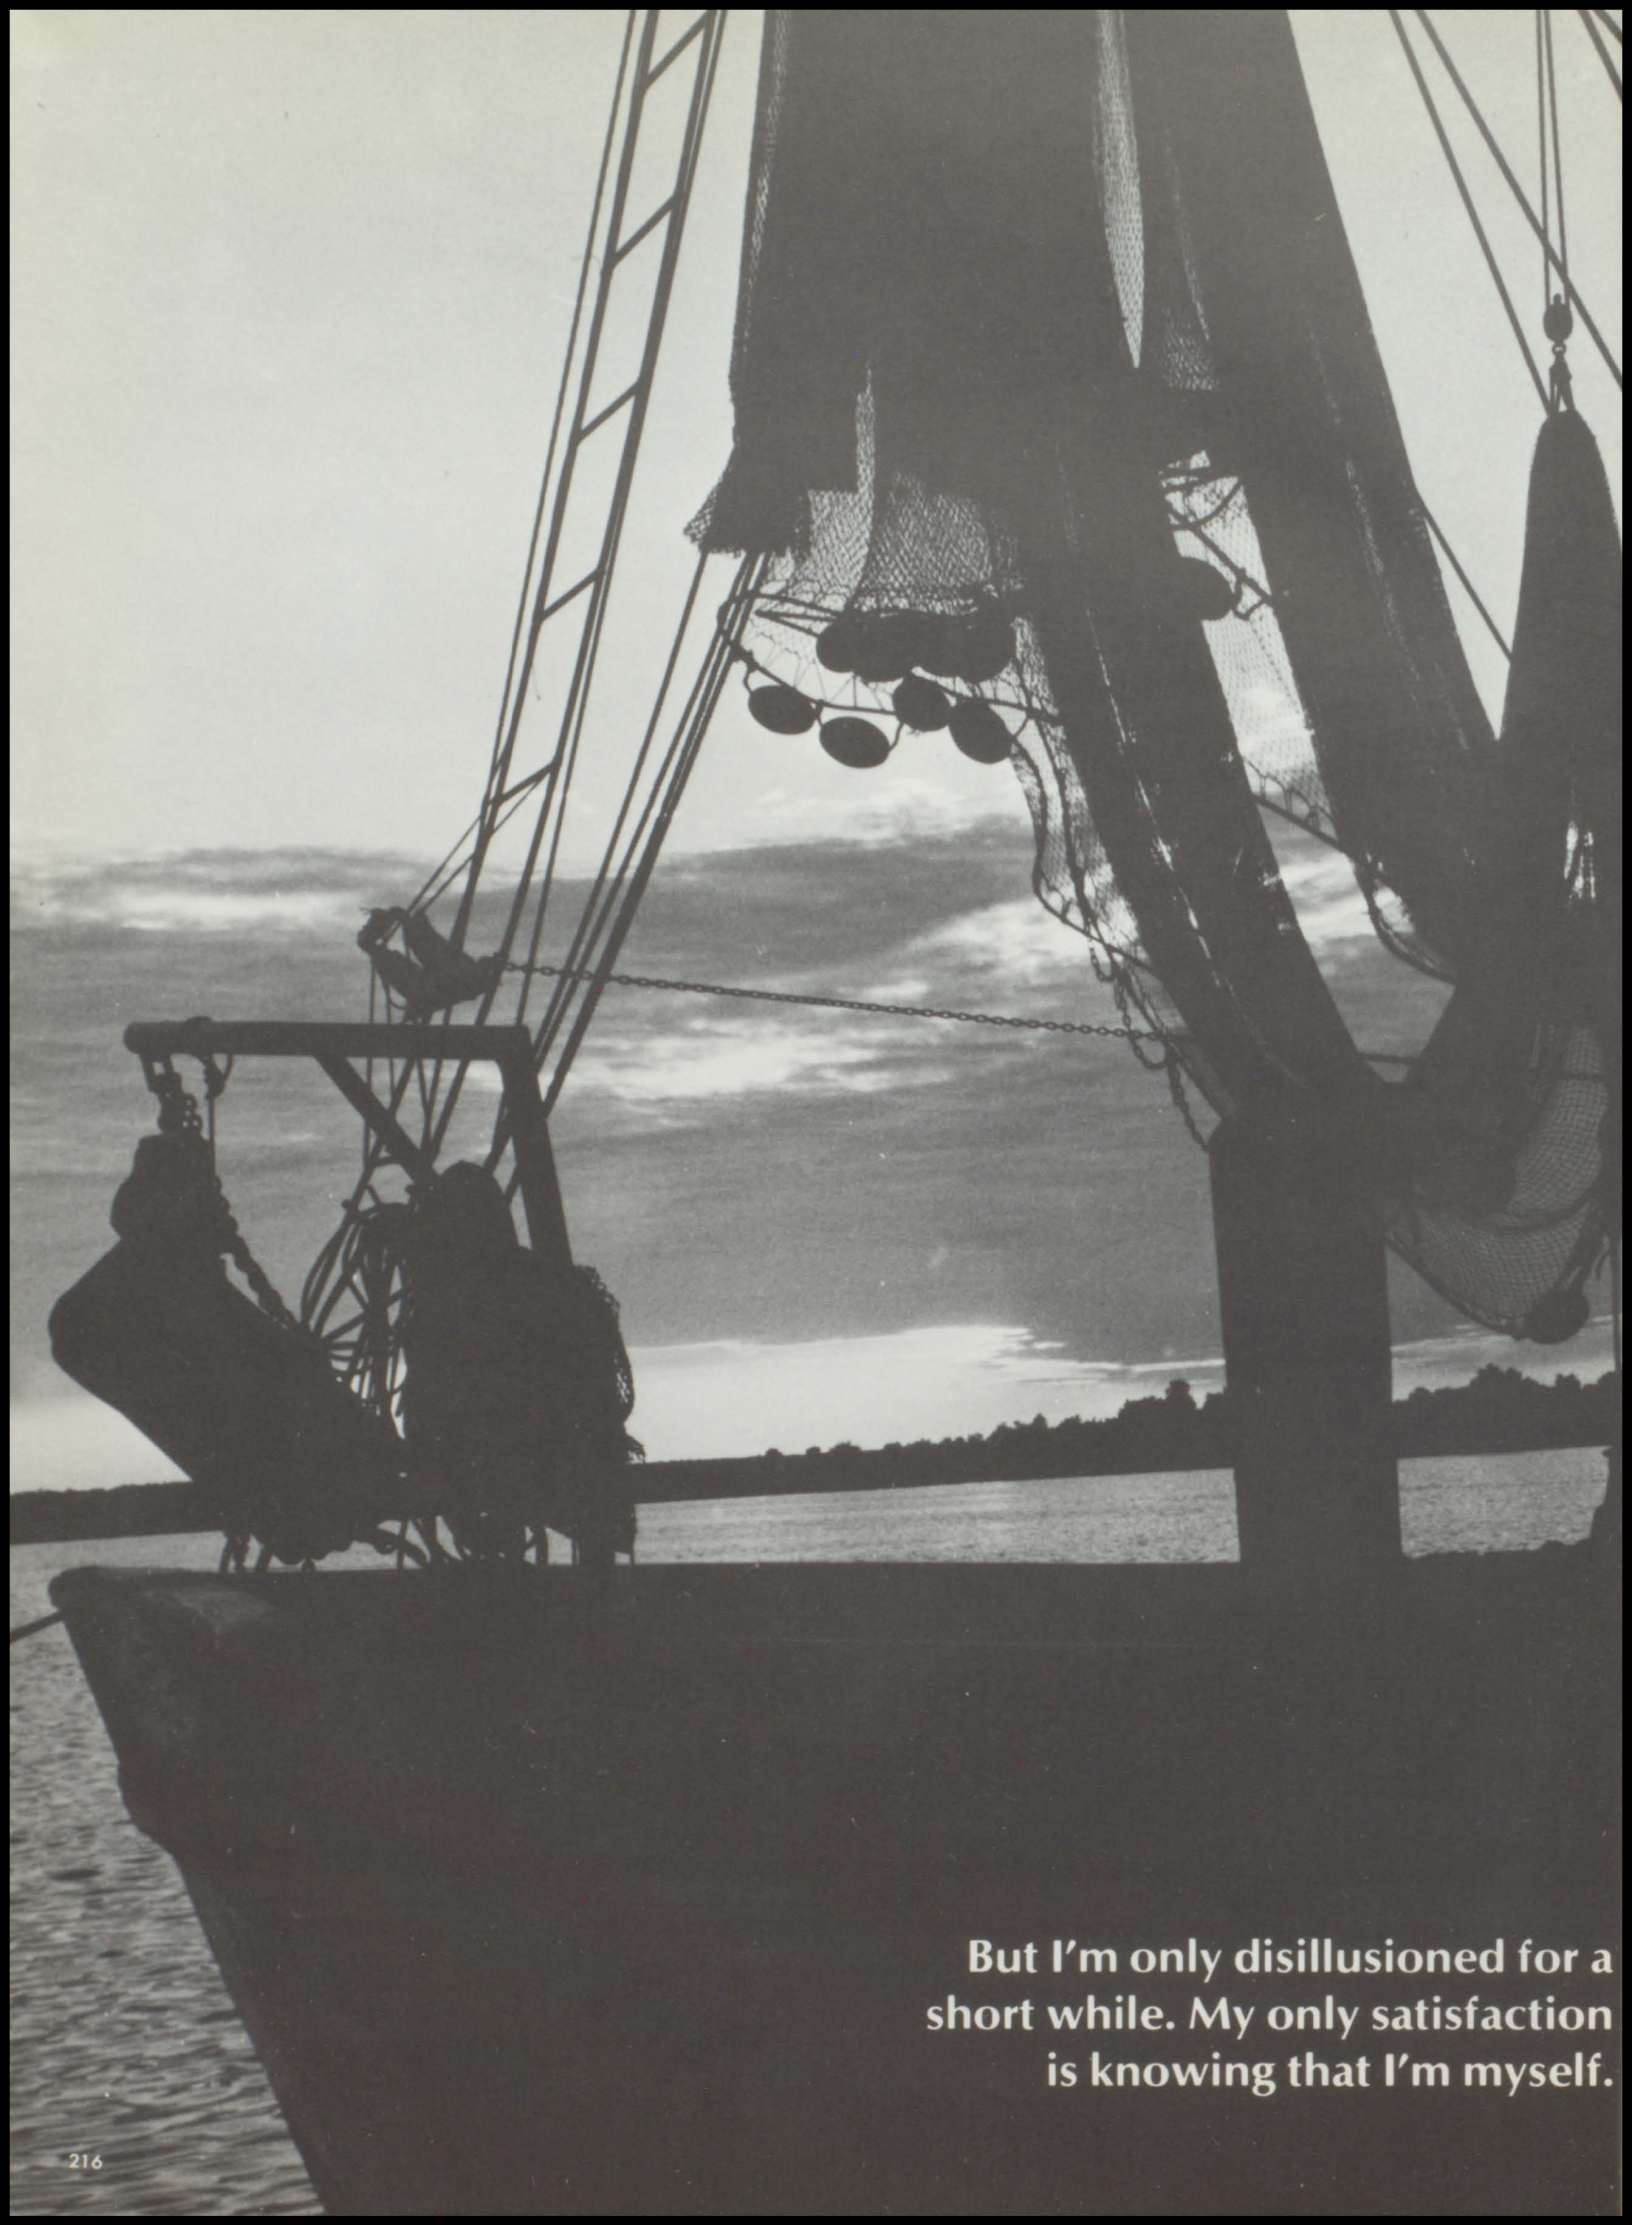

**I live in fear that I'm like the others. I know them and I love them. My brothers and sisters.**

But I'm only disillusioned for a  
short while. My only satisfaction  
is knowing that I'm myself.
